

## Closing of divestment HE System Electronic

**TKH Group N.V. (“TKH”) announces the closing of the divestment of HE System Electronic GmbH (“HE”) to Magna International Inc. (“Magna”), which was announced on May 15, 2024.**

HE is active in the field of efficient electronic assemblies and power modules that are customized for the industrial and automotive market. In 2023, turnover at HE, which was part of TKH’s Smart Manufacturing systems, amounted to € 20.7 million.

### About TKH

TKH Group N.V. (TKH) is a leading technology company. We specialize in the creation of innovative, client-centric technology systems that drive success in automation, digitalization, and electrification. By integrating hardware, software, and customer-focused insight, our smart technologies provide unique answers to customers' challenges. In doing so, we work to make the world better by creating ever more efficient and more sustainable systems.

With more than 7,000 employees, TKH pursues sustainable growth in a culture of entrepreneurship, working closely with customers to create one-stop-shop, plug-and-play innovations combined with software for Smart Vision, Smart Manufacturing, and Smart Connectivity technology.

Listed on Euronext Amsterdam (TICKER: TWEKA), we operate globally and focus our growth across Europe, North America, and Asia.

**Disclaimer**

Statements included in this press release that are not historical facts (including any statements concerning investment objectives, other plans and objectives of management for future operations or economic performance, or assumptions or forecasts related thereto) are forward-looking statements. These statements are only predictions and are not guarantees. Actual events or the results of our operations could differ materially from those expressed or implied in the forward-looking statements. Forward-looking statements are typically identified by the use of terms such as "may," "will," "should," "expect," "could," "intend," "plan," "anticipate," "estimate," "believe," "continue," "predict," "potential" or the negative of such terms and other comparable terminology.

The forward-looking statements are based upon our current expectations, plans, estimates, assumptions and beliefs that involve numerous risks and uncertainties. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. Although we believe that the expectations reflected in such forward-looking statements are based on reasonable assumptions, our actual results and performance could differ materially from those set forth in the forward-looking statements.
